### \*Testing of customised hearing protection

Due to the guideline 89/686/EG we are regulated to test all customised hearing protection devices for functionality. All testing will be carried out with the customer at time of purchase. A release declaration signed by the customer is not valid and does not relieve us from our legal regulation for testing this product.

### Confirmation

In regards to guideline 89/686/EG we confirm that all audifon custom hearing protection devices sold in this store have been tested with the customer for effectiveness at time of purchase. We have insured that the device is functioning to all respective performance parameters. All tests will be recorded and archived for a minimum of 10 year.
